- Frequent bonus action, including the Pond Hoppin' Bonus

BONUS GAME

When the player obtains 3 "Pond Hoppin' Bonus" symbols on the pay line, this exciting pick-a-prize bonus is triggered. The goal is to guide Mr. Bullfrog across to Mrs. Bullfrog, choosing which lily pads to jump on row by row without leaping into the jaws of a hungry alligator hiding in the third row! Each lily pad is worth a prize value and players will have up to 5 picks to collect credits and safely reach the other side, but watch out! If the gator is selected the collected credits are awarded and the bonus is over.
