MAIN GAME

The Wild Life® is a 5-reel, 5 pay line game that pays for winning combinations of 3 or more consecutive symbols, from left to right only.

This game is the first to feature Symbol Switch, a unique skill feature that allows players to switch one symbol with one of two adjacent symbols in order to form potential wins! True to its name The Wild Life also features Wild symbols, which may land on reels 2, 3 and 4 during the main game. Wilds animate and expand into full reel wilds when a win is formed.

BONUS GAME

The Free Games Bonus is triggered when the player forms a consecutive combination of 3, 4 or 5 Africa symbols from left to right on a played line, awarding 10, 15 or 20 Free Games respectively. During the bonus, any Wilds on reels 2, 3 or 4 will now expand and lock into place – continuing to form wins for the remainder of the bonus.
